ADOPTION CONTRACT

It is the adopter's financial responsibility to cover all expenses for the transportation of the donkey/horse to be returned to T&D Donkey Rescue Inc. when the horse/donkey no longer can be cared for properly or becomes unwanted. Ownership, in any way, of this animal is NOT allowed to be transferred. If you transfer the animal to someone else there is a \$2500 fee that will be owed to T&D Donkey Rescue Inc for damages. You also understand that you are never allowed to breed any animals adopted from T&D Donkey Rescue and by doing so will result in a \$2500 damages fee per animal being owed to T&D Donkey Rescue along with the surrender of all equine and foal(s) back to T&D Donkey Rescue Inc peacefully. By signing this agreement you are agreeing that you fully understand and agree with this contract and its restrictions. Our goal is to keep them safe and healthy and out of the auction houses and kill pens. We have a two-week full refund policy if the animal is returned in the same condition as the animal was when it left the rescue's premises.
